Add a personal touch to your Wedding Programs!

TIP: Be sure to order your Wedding Programs one month prior to your wedding day.

- Personalize your Wedding Programs with ink colors that match the color scheme of your wedding.
- Show your personality by adding a monogram, motif, ribbon, bow or delightful charm on your programs.
- Silver and light colored inks are not recommended.
- Fan Programs allow several options ranging from having your photo on the front to your choice of lettering style.
- Wedding Programs come unassembled, if you would like to have your programs assembled that option available for an additional charge.

Helpful Reminders...

1. Use one Carlson Craft order form for each section of the program. For example: Cover, inside left, back, etc.
2. Number each page of your order to insure proper placement of your program copy. For example: Page 1 of 3, Page 2 of 3, etc.
3. All wedding program orders must be typed or clearly written and accompanied by a Carlson Craft order form. Wedding program orders cannot be placed over the phone.
4. Be sure to specify if you would like your copy centered on each page of the program.
5. Confirm special spellings of readings, passages, song titles, composers, officiant, musicians, readers, honored guests, etc.
6. Verify spelling of names. For example: Ann or Anne, Smith or Smythe, double check the location and name of the church, ceremony date and time, etc.
7. Was there anything special you would like to mention on the back of your programs? For example:
 - A personal note to the guests.
 - A story about the bride and groom how they met.
 - Directions to the reception.
 - A special memorial to parents or family that have passed away.
